

“GREEN SICKNESS”

The unhealthy complexion of green sickness is changed to the rosy blush of good health by Scott's Emulsion.

Green sickness is one of the forms of blood disease found in young women. The change from girlhood to womanhood often upsets the nervous system, weakens digestion and throws the blood-making organs out of gear.

Scott's Emulsion puts new heart into pale girls. It tones up the nervous and digestive system, and feeds the blood. It is a natural tonic.

Remember that 30 per cent. of these cases go on to consumption unless prevented. Scott's Emulsion prevents consumption.

BOTH TEAMS FIT;

CLOSE GAME LOOKED FOR

Who will win? This is the question that is being asked by all the lovers of football. Punahou and H. A. C. face each other on the "grid" at 3 o'clock this p. m. Both teams are trained to the hour and a vicious fight may be expected. This will be the second game of the League series, and should Punahou lose they will be out of the race for championship honors.

Last year the Punahou and H. A. C. teams met in the last game of the season and battled for the championship. Neither team was able to score so there were no champions for 1903. The teams agreed that the championship should go over until this season.

"PAT" GLEASON, WHO WILL ACT AS FIELD CAPT. FOR H. A. C.

and the team that wins is to be declared champions.

A HEAVY TEAM.

The H. A. C. "huskies" will line-up with a team averaging 180 pounds to the man. This will give them a great advantage. If it is a wet day they should have no trouble in winning. This year's team is without doubt the strongest that this club has ever entered, and they should make a strong bid for top place. Their line is composed entirely of giants and should withstand the rushes of the Punahou backs. The line will average 200 pounds to a man.

With their superior weight and strength the possibilities are that the club boys will play a bucking game.

FRANK HATCH, WHO LEADS PUNAHOU.

If they can concentrate their weight they should be able to tear holes in the Punahou line.

BLUE AND BUFF HAVE STRONG BACKS.

Turner, an old Princeton man and a great player, will carry the ball from half backs position. He is a very fast man on his feet. Sam Johnson, of last year's team, will play the other half. He needs no introduction to the Honolulu people as a pig-skin artist. It is expected that the Punahou will

ASSOCIATION

FOOTBALL NEXT

Association football, which took such solid root last year and met with so much favorable comment from people who had hitherto seen little or nothing of the fine English game, will be revived in January when four teams will form a league for a series of games.

All games last year were played on the Makiki open field where no admission fee was charged. This year the league proposes to utilize the lawn field at the League Baseball park, where a small admission fee will be charged.

The four teams are now in training and it is hoped to start the series on January 2. However, the first game will not be played until the present American football series is ended, and if by any possibility there should be a tie in the present league, the Association series will be started a week later.

The Association League was put to a good deal of expense last year in providing for their outfits, etc., but up to that time the game had been played merely for the fun of the thing and for the fine athletic exercise it afforded. The men who play in the league now believe that such a fine game should be worth a spectator's while to see, and for that reason an admission fee will be charged.

The Association game is almost the opposite to the American or college game, in that it is against the rules to take the ball in the hands, or in any way strike it with the arms. The feet are used for kicking and working it over the field, requiring skill. There are few mass plays, such as one sees in the American game, it being played in open order. Every player can be seen by the spectators and any fouling appeals as quickly to the eye of the spectators as to the referee. From an athletic standpoint, comprising sprinting, dodging, skill in the toeing of the ball, and punting, the English, or Association game, has its points of excellence.

Furthermore it is a clean, sportsman-like game. It is a gentleman's game, but one requiring that every participant be something of an athlete.

Mr. Waldron, who so excellently refereed last year's series, will probably act in the same capacity the coming season.

switch players at short intervals so as to have fresh men on the field at all stages of the game. They have a long string of men and by making frequent changes they can overcome the weight.

The two teams will face each other, as follows:

Punahou—L. Judd, c.; A. Judd, r.g.; Johnson or Crabbe, l.g.; Alexander, r.t.; Hatch, l.t.; Damon, r.e.; Robinson, l.e.; Judd or Campbell, q.; Johnson, or De Hart or Parr, r.h.; Splivalo, or Turner or Campbell, l.h.; Macfarlane or Dickson, f.

H. A. C.—Kauhanu or Hunt, c.; Houghtalling, or McDuffie or Enos, l.g.; I. Cockett or H. Cockett, r.g.; Joy or Keawe, l.t.; Lane or Tilton, r.t.; Gleason or Blaisdell, l.e.; Andrews or Madeiros, r.e.; Alameda or Blaisdell, q.; Dawes or Ensuie, l.h.; Sullivan or Mays, r.h.; Kanaka or Mays, f.

GOLF AT MANOA CLUB.

The matches for fifth place in the championship list will be played off today by the first four who qualified in the medal play tournament of Saturday last. Those who qualified and will play are: C. B. High vs. Geo. Angus, F. S. Munsell vs. E. C. Brown. The winners will play until one man is declared champion.

An Enjoyable Outing.

The most attractive day's outing is that afforded by the excursion down the railroad line. The HALEIWA LIMITED, a first-class train, leaves Honolulu every Sunday morning at 8:22 o'clock making the run in two hours, the rate for round trip being only \$2.00. From 10:22 a. m. until 8:10 p. m. is spent at the beautiful HOTEL HALEIWA, with fresh and salt water bathing, tennis, golf drives and walks, shooting or fishing and you are back in town at 10:10 o'clock in the evening.

One day during a temporary cessation of hostilities between the opposing forces, a tall strapping Yankee rode into the Confederate camp on a sorry-looking horse to effect a trade for some tobacco. "Hello, Yank," hailed one of a number of Confederate soldiers lolling about on the grass in front of a tent, "that's a right smart horse you all got there." "Think so?" returned the Yank. "Yes; what'll you take for him?" "Oh, I don't know." "Well, I'll give you \$700 for him," bantered the Confederate. "You go to blazes!" indignantly returned the Yank; "I've just paid \$10,000 of your money to have him curried."
